

THIS IS AN EXPANSION YOU NEED A CORE DECK TO PLAY

Star Quarterback Snips

Pony ♂

Snips, Uni

Touchdown! (New Goal): You may put 1 Goal at the bottom of the Goal deck and draw a new one to replace it.

Snips was tough. He was fearless. He was like a brick wall wrapped around steel girders and tempered in fire. The weird feelings he got in the locker room were obviously some sort of fungal allergy. - But I'm a Quarterback

Fraternity Bro Snails

Pony ♂

Snails, Uni

Grab a Sixer (Search): You may search the Ship or Pony discard pile for a card of your choice and play it.

"CHUG! CHUG! CHUG! CHUG!" Snails bellowed, starting up a chant. The other stallions all joined in, soon followed by a few of the mares. Late Blank or no, Snails had to admit, this filly could DRINK. - Pick a Peck of Pickled Ponies

Drag Racing Champion Scootaloo

Pony ♀

CMC, Scootaloo, Uni

Floor It (Replace): While in your hand, you may discard a Pony card from the grid and play this card in its place. This power cannot be copied.

Scootaloo casually backflipped herself out of the still-roaring monster on the track, gliding effortlessly on her wings to safety as the out-of control engine catapulted it into a low ravine where it exploded in fire behind her.
- Greased Lightning

Shoestring Budget Scootaloo

Pony ♀

CMC, PCC, Scootaloo

Special Ramen Ingredients (Search): You may search the Ship or Pony discard pile for a card of your choice and play it.

As Scootaloo settled into her cardboard bed and whisked away some of the peskiest of the insectoid and arachnid intruders, she reflected that her parents probably would have been happy she made it into college. And also, they'd probably be very proud of her budgeting. She'd graduate with only ten thousand bits worth of loans at this rate!

Musical Major Sweetie Belle

Pony ♀

CMC, Sweetie Belle, Uni

Moving Melody (Swap): You may swap 2 Pony cards on the shipping grid. Neither of their powers activate.

Sweetie Belle was working the house lights herself tonight, as she had every night for the past few weeks. Rehearsing in secret was obviously necessary for what she had planned, although she did miss having a few rapt sets of ears to appreciate her talents. - Emerging Harmony

College Radio Host Sweetie Belle

Pony ♀

CMC, PCC, Sweetie Belle

A Call to Arms! (New Goal): You may put 1 Goal at the bottom of the Goal deck and draw a new one to replace it.

The on-air sign glowed redly behind Sweetie Belle as the equipment hummed to life. "Listen to the moon. We don't know what it's saying, but Luna sure has been acting suspicious lately. Welcome to Ponyville U."

MBA Apple Bloom

Pony ♀

Apple, Apple Bloom, CMC, Uni

Economic Budget Analysis (Search): You may search the Ship or Pony discard pile for a card of your choice and play it.

"At nine bits gross the whole package obviously falls apart," Apple Bloom explained as patiently as she could manage, "because the net is half a bit and nobody will look twice at investing." She wondered how it was possible for a pony this smart to be this bad at business.
- The Cold Budget Equations

Teacher's Assistant Apple Bloom

Pony ♀

Apple, Apple Bloom, CMC, PCC

Flash Cards (Draw): You may draw a card from the Ship or Pony deck.

Commuting to school? No problem. Grading papers to pay Ponyville Community College's tuition? Easy. Apple Bloom was on top of this. She told herself that a lot lately.

Conspicuously Blank Babs

Cutie Mark Crusader, Yay... (Replace): While in your hand, you may discard a Pony card from the grid and play this card in its place. This power cannot be copied.

"Late Blanks do exist, and we're not defective and we're not lost little lambs for you to fret over, Pumpkin," Babs explained to Pumpkin. She was really proud of how she didn't actually snarl there. - *Pick a Peck of Pickled Ponies*

Comic Artist Spike

Draw! (Draw): You may draw a card from the Ship or Pony deck.

"It's not tracing. It's INKING. It gives the form shape and definition," Spike said pretentiously, turning up his nose at his much more educated friend Twilight. "Well, it's not science either," she replied cleverly. "Don't you know going into the Humanities is the worst thing you could possibly do?!" - *Chasing Rarity*

Iron Lady Diamond Tiara

I Can Do Better (Draw): You may draw a card from the Ship or Pony deck.

"I told you," Diamond Tiara said to Apple Bloom. "You can lead these ponies to solvency but you can't make them actually stick to a financial plan." She really did wonder why Apple Bloom kept trying to HELP these ponies...

Pony

Babs Seed, Life of the Party

Shmoozing (Swap): You may swap 2 Pony cards on the shipping grid. Neither of their powers activate.

"Apple cider," Babs slurred with a grin, tilting her mug toward each smiling pony around her in turn, "is proof that Celestia loves us and wants us to be happy." All the ponies cheered! Little did they know what was coming.

Ultimate Frisbee Champ Pipsqueak

Serve and Return (Swap): You may swap 2 Pony cards on the shipping grid. Neither of their powers activate.

All eyes were on Pipsqueak, and he knew it. Why shouldn't they be? He was, after all, the best thing that had ever happened to Ponyply Community College's Ultimate Frisbee team in its short 12 years. Good thing they didn't know his secret weapon...! - *Super Pip: The Pip Chronicles*

Pony

Campus Reporter Featherweight

Blackmail! (Replace): While in your hand, you may discard a Pony card from the grid and play this card in its place. This power cannot be copied.

"No," sighed Pound Cake, rubbing his temples. "Pumpkin, our play is about the ever-present sense of mortality hanging over Equestria. Not the enslavement of cows, or whatever." His sister snorted. "Pound! You don't understand! What could be more important than cows?!" Pound just stared at her. "Literally anything else." - Friction Fricassee

Skyla flared her wings and reared, her glittering hair sparkling in the sun. "As the future ruler of the Crystal Empire, I pledge to end bovine enslavement forever! Chocolate milk is NOT the answer!" Pumpkin Cake, for once, felt like someone... SOMEONE understood, and a tear streaked her cheek above her smile. - Friction Fricassee

Pumpkin Cake sniffled atrociously, great big tears streaking her cheeks, but it was the soft touch of a hoofkerchief that brought her gaze upwards. Skyla smiled at the citrine mare in sympathy. And, maybe, something more. "Pumpkin, it's okay," she said gently, drawing the crying unicorn into her arms. "You know I couldn't hate you just because your parents are slaver-sympathizer bakers. You're you. You're...different." - Friction Fricassee

"Hold on tight!" the beautiful dean-professor Twilight Sparkle crowed, her horn lighting the dark classroom like a shining, pastoral beacon of power with her demonstration. "How can we have a bake sale? We're protesting animal slavery." Pumpkin fretted. "Instead of eggs, we'll just use bananas." Skyla replied smilingly, brushing Pumpkin's elbow and making the mare blush. But that was nothing to what she did when Skyla whispered, "But what we really need... is some pumpkin spice." - Friction Fricassee
